

UNION *of* NATIONAL EMPLOYEES PRESIDENT'S BURSARY *for* CONTINUING EDUCATION

PURPOSE

This bursary provides financial assistance to Union of National Employees members who seek to pursue part-time studies in industrial relations, labour affairs or other union-oriented courses with the goal of increasing their knowledge and ability to participate in union activities.

CRITERIA

1. The bursary is offered to Union of National Employees members in good standing.
2. Part-time courses are intended to mean CLC Summer School or evening and weekend course at colleges and universities.
3. The UNE will pay the tuition fee only.
4. The member must submit a completed application form to the UNE office prior to May 31.
5. The bursary can only be awarded once to the same individual.
6. The bursary shall not be considered until evidence is received of the candidate's registration for the course.

PROCESS

1. All applications for bursaries shall be referred to the standing committee on education, honours and awards. Members of the committee shall review all applications and make appropriate recommendations to the National Executive.
2. All decisions in the awarding of a bursary will require a simple majority of the National Executive assembled at a regular meeting.
3. Provided that applications meet the above criteria, the national president is authorized to make the necessary payment, in order to meet any time limitations involved. The education, honours and awards committee shall be kept informed of all applicants and decisions.
